SR1101

Battery Powered Ride on Sweeper

Key Features

- Theoretical productivity of 4410 m2 per hour with the optional left side broom
- Strong polyethylene construction plus steel frame; with robust solutions to avoid sources of malfunctions and minimise service
- 3.6 m2 of filter for an optimal dust control
- Battery version offers up to 5 hours of running time
- A large flap and 70 l of hopper to easy collect dirt and large debris
- Climbing rate up to 20%
- The standard version is delivered with 1 main broom, 1 right side broom and 1 paper filter

The vast majority of ride-on professional sweeping jobs demand a machine that is compact, manoeuvrable and reliable. SR1101 represents simplicity and robustness in its most sophisticated form. Recommended for factory warehouses, car parks and outside areas such as parks and gardens.

The SR 1101S represents simplicity in its most sophisticated form. No frills, no belts or whistles- just honest, down-to-earth cleaning efficiency with typical Nilfisk flare.
